ABOUT THE STATE BAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

Lightning Sunday struck the barn of James Aldrich in Richmond and killed 10 calves.

Marshall Brown, nine, of Rutland, fell from a railroad trestle at Whalonsburg, N. Y., and broke one leg.

Congressman Frank L. Green has arrived from Washington and is spending two weeks at his home in St. Albans

Miss Florence A. Dooley, clerk at the Hotel Vermont newstand, has sold over \$16,000 in thrift stamps and war savings The Italian Political Aid society,

formed in Rutland June 2, has 65 mem-

bers. Its aims are to further the ideals of good citizenship. The onion crop of James McDonnell of White River Junction covers an eighth of an acre. He grows his own seed. The

erop is very thrifty and many from a distance visit the field. At a reception given at the Methodist church in St. Albans recently in honor of Ohaplain and Mrs. John B. Magee, a

purse of over \$100 in gold was presented the guests of honor. The Vermont State Firemen's association will hold its annual convention in Winooski in September. There will be no

tournament this year, but a banquet will

be served to the firemen and their guests.

Rev. J. C. Jones, formerly of Middle town Springs, has received an unanimous call from the Baptist church of Newport Center. Mr. Jones accepted the call and will commence his ministry July 28.

A bolt of lightning struck the Rutland stone crushing plant Tuesday night, destroying it, with a loss of \$2,500. This is covered by insurance, but the loss of the plant will be keenly felt just now when crushed stone is much in demand.

Among New England boys recently made lieutenants in marines is Sergt. Charles W. Creaser of St. Johnsbury. Hunter, West Brattleboro, first lieutenant, medical reserve.

side of Elliott street Saturday evenings. The fire department's headquarters are on that side of the street, which is nar-

Although in his 87th year, Rev. R. W. Collins of Moscow has completed covering the roof of his barn, carrying the half-inch boards and saddleboards up the roof unassisted. He has sawed, split wood, has done some having and is finnishing off a room in the house.

From July, 1917, to July, 1918, upwards of \$10,000 was collected in fines and judgments at the office of United States District Attorney V. A. Bullard in Burlington. This is the largest sum collected in Burlington by a United States attorney in many years. Last year the total was around \$4,000.

Theodore Romprey, aged 15, employed in Winooski, was perhaps fatally injured Tuesday as he was riding his bicycle, when he was run into by a touring car. Several ribs were broken and he has a bad cut on the head. His worst injuries were several broken vertebrae, and fragments of them were removed at a hospital.

Oscar Kahn, the Morrisville junk man, who pledged to give the profits of last week's business to the Y. M. C. A., made a net profit of \$51.75. In April Mr. Kahn gave a week's profits of his business to the Red Cross, amounting to two months. With other linemen he had \$221.75, and recently gave \$10 to the local Red Cross, and some smaller gifts, making a total of \$296.20 which he has given to these organizations.

The condition of Oliver Farnham of Shoreham and Norman Forcier of Orwell, who were injured Monday morning in an automobile accident, is very serious. Neither had recovered consciousness up to Tuesday night. Farnham is thought to be suffering from concussion of the brain and Forcier is thought to have injured his spine, his legs being panion:

Max E. Bogue, Underhill's big man, finds himself under the ban for military service simply on account of his height. Mr. Bogue measures six feet ten and one-half inches, and although he is not physically defective, he could not be accepted on account of his size. He has taken examinations before the Chitten- word 'endurance.' We have risen to the den county board and has also tried to world demand upon us splendidly. I think enlist in the navy, being rejected both we can afford, privately, just between times for the same reason.

patents are: Giuseppe Timpano, inven-tor, of Northfield, for stone-sawing machine; Samuel L. Bennett, Bellows Falls, inventor and assignor to the Vermont pared to the French, we were, when we Farm Machine company, for speed in went into the war, soft, and therefore we Farm Machine company, for speed in-dicator; Celest O. Burt of Winooski, for hand-operated drill; Charles G. Richardson, Springfield, for cloth-marking defilm-holding spool.

After much red tape and a full rewill be given a treatment as soon as the ty to save the world. weather permits. The price on the last shipment had increased from six cents a brag? It is not; I could almost find it in gallon two years ago to 17 cents this my heart to wish that it were! But I beg

Neck Hurt, Painter May Die. Bellows Falls, July 18.—James A. Ken-nedy, a painter, fell from the piazza roof of S. J. Cray's house Tuesday morning suffering severe injuries internally and his right leg was broken. He was fering, with solemn readiness to give up taken to the Carney hospital in Boston after being examined by local physicians. His recovery is considered doubtful as his neck was hurt by the fall.

Wellington Walker Was Electrocuted at St. Albans.

Albans, July 18 .- Wellington Walker, a lineman employed by the Pub-lic Electric Light company, was electrocuted late Tuesday afternoon while working on a pole on South Main street. The line carries 2,400 volts and the man was hanging on the wire about two minutes before he fell from the top of the pole to the ground, a distance of about 30 feet. R. H. Mecorney was quickly on the scene with the lungmotor and Drs. J. G. Perault and H. H. Johnson were summoned, but the man was probably

Mr. Walker, who lived on the Georgia shore, near St. Albans bay, had been employed by the electric company about been working on the South Main street line about a week. Health Officer W. B. Arnold was noti-

fied and gave permission for the re-moval of the boy to Mr. Mccorney's undertaking parlors. Mr. Walker was 42 years old last Sep-

tember. He is survived by his wife.

America Must Save the World. Margaret Deland, writing from France,

says in the August Woman's Home Com-

"The French nation-soldiers, and young housekeepers, and old mothersknowing values, has endured. "Are we going to endure?
"I haven't the slightest doubt of it!

Only, looking back now from France at American comfort and character, it does not seem to me as if we have quite wakened up yet to the full meaning of that ourselves, to say that to each other; because we know it isn't just the boast-Vermonters who recently have received | ing of which our allies with cycnical good | nature accuse us. We are not boasting we are stating facts, we really are meet ing the situation. But all the same, comhave got to think out carefully all to which that word 'endurance' commits us.

"As we learn our lesson, we will say vice; Richard Johnson of Proctor, for humbly that we have been spoiled. Then we shall ask ourselves how we can most quickly recover from that spoiling? Of most anything you want. course, every individual will make an port as to just what roads it was to individual answer; but we shall agree be used on and just how much would be that, collectively, we have got to elimirequired, Brattleboro has at last received nate fuss about inconveniences, and we 70 barrels of tarvia, which was ordered April 1. The town already had on hand ery day: 'We are face to face with the several barrels of the tarvia, part of a most extraordinary opportunity that has former shipment, and macadam roads ever confronted a nation—the opportuni-

> Does this sound like more American you to believe that it is not. It is the terrible truth. Let us face it.
